<p>Please Note: Due to the current war in Russia and most of the worlds embargo against them, ALL seed oils have been increased by a whopping 38% as Russia is one of the biggest seed oil exporters in the world. To avoid selling the product at a loss or increasing the cost of the product we have decided to charge a levy of R50 per bottle of Itch Ease Coat Enhancer until the situation is resolved. The levy will be removed once the price of Seed Oils drops again or we can find an alternative supply.</p>
